

Jesus is Good !

Bible Story : Mark 4:35-41

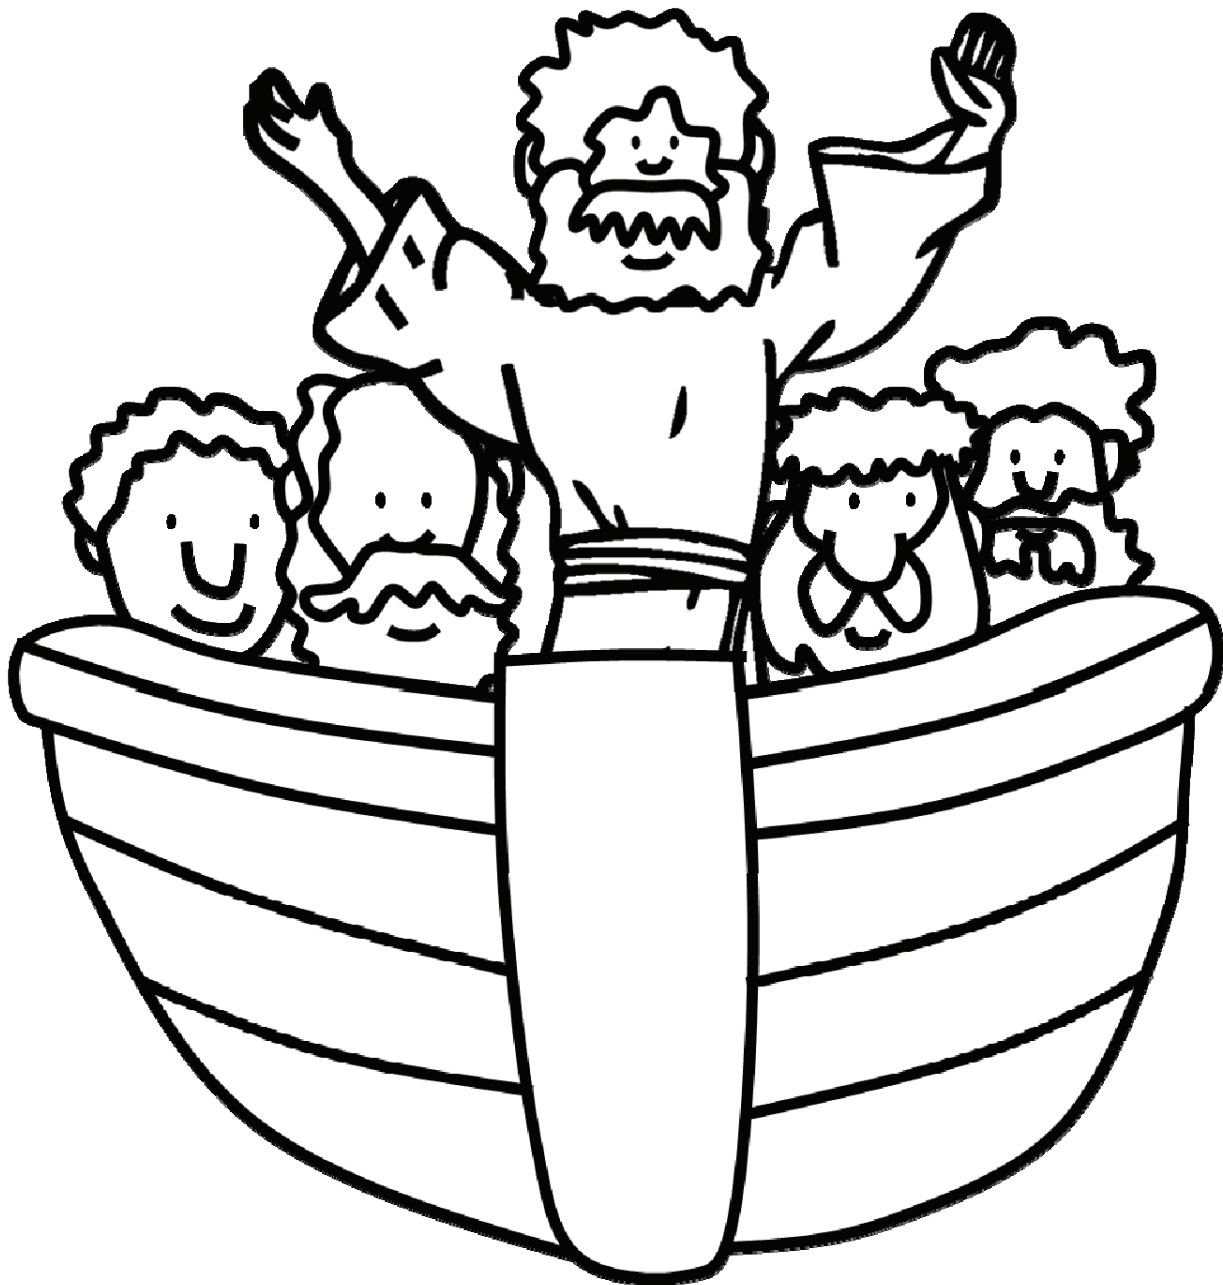

This weeks bible story we saw how Jesus was able to calm the storm. How even the wind and the waves obey him. This shows us how Jesus is towards us. Remember Jesus' friends were so scared in the storm they didnt know what they were going to do. All they felt was possible in that time was be scared and unsure of the situation. I imagined that their thoughts "were are we going to survive this." I believe that they lost the bigger picture in all of this which is that Jesus was there with them on the boat and **most importatnly they forgot their faith and who they trusted**. They ran towards Jesus, and Jesus instead of being worried like them **he just prayed and told the wind and the waves to stop**. Thats exactly what happened! **Jesus in the midst of the chaos and in the midst of us not knowing and forgetting that hes with us. He just simply shows up**. This shows us that even in hard times where we don't understand what is happening we have to remember that Jesus is good and He will take care of us even in the middle of the storm.

Questions:

1. How do you think Jesus can help you?
2. Do you think that Jesus is good? Why?
3. Pray together as a family!

Color both pages then cut the page of Jesus on the boat and glue it on the page where the storm is.

Colorea ambas páginas, luego corta la página de Jesús en el bote y pégala en la página donde está la tormenta.
